RE: Strip Mining Flagstone - Sanpete County
Utah

Dear Messrs. Farnsworth and Barney:

We have reviewed a copy of your Notice of Intention to Commence Small Mining Operations in Sanpete County. We received a copy of the notice on November 20, 1992.

This project is for surface mining of Flagstone. The operation will involve less than 5 acres.

It does not appear that the operation as described will have any water quality impacts. No permit is required for the stated activities.

If we can be of further assistance, please contact me or Mr. Lyle Stott of my staff.

Sincerely,

Kiran L. Bhayani, P.E., D.E.E., Manager
Design Evaluation Section
